

RULE: **إن** emphasises the sentence. It makes its SUBJECT take FATHA (accusative).

Arabic	Meaning	Example
إن	indeed/truly	Indeed Allah is Forgiving = إن الله غفور
أن	that (fact)	I know that Allah is able = أعلم أن الله قادر
لكن	but/however	poor but honest = فقير لكنه صادق
ليت	if only/wish	If only I had been with them = ليتني كنت معهم
لعل	perhaps/maybe	perhaps you = لعلك
كأن	as if	as if he is a star = كأنه نجم

□ **إن الله — الله** (subject of الله — **إن** is accusative) . Subject goes accusative, predicate stays nominative .

□ **إن مع العسر يسرا** = (Ash-Sharh 94:6) (Indeed with hardship comes ease)

□ **إنما** = **إن** + **ما** = 'nothing but/only'. **إنما الأعمال بالنيات** = Actions are ONLY by intentions
