

**RULE: Past passive: change vowels to u-i. Present passive: yu- prefix + fatha before last root letter.**

| Active Past | Passive Past | Passive Present | Meaning            |
|-------------|--------------|-----------------|--------------------|
| كتب         | كتب          | يكتب            | written/is written |
| فتح         | فتح          | يفتح            | opened/is opened   |
| خلق         | خلق          | يخلق            | created/is created |

﴿ كتب عليكم الصيام ﴾ (Al-Baqarah 2:183 = Fasting was prescribed for you)

﴿ خلق الإنسان ضعيفا ﴾ = Man was created weak — passive, divine doer omitted for reverence

★ When Quran uses passive for divine actions, the omitted doer is obviously Allah
