

RULE: ليس = is not. After it, the predicate (description) takes FATHA (accusative).

| Arabic | Meaning         | Example                            |
|--------|-----------------|------------------------------------|
| ليس    | He is not       | ليس هو مدرسا = He is not a teacher |
| ليست   | She is not      | ليست هي طالبة                      |
| لست    | I am not        | لست مدرسا = I am not a teacher     |
| لست    | You are not (m) | لست كاذبا = You are not a liar     |
| لسنا   | We are not      | لسنا من هنا = We are not from here |

RULE: Change: ليس هو مدرسا ( becomes on predicate after ليس )

ليس الله ظالما (Allah is not unjust — Quranic reassurance (Al-Baqarah =

ليس = accusative: مدرسا (tanween fatha, not damma) Predicate after ليس
