

**RULE:** Arabic past tense base = ■■■■■■ pattern (fa-'a-la). 3 root letters + a-a-a vowels = 'he did'.

### Common Verbs — He/She

| He (base) | She (+ت) | Root  | Meaning |
|-----------|----------|-------|---------|
| ذهب       | ذهبت     | ذ-ه-ب | went    |
| كتب       | كتبت     | ك-ت-ب | wrote   |
| قرأ       | قرأت     | ق-ر-أ | read    |
| دخل       | دخلت     | د-خ-ل | entered |
| خرج       | خرجت     | خ-ر-ج | exited  |
| سمع       | سمعت     | س-م-ع | heard   |
| فتح       | فتحت     | ف-ت-ح | opened  |
| أكل       | أكلت     | أ-ك-ل | ate     |

**RULE:** Feminine (she): add ■■ at the end. ■■■■■■ (went) → ■■■■■■■■ (she went).

| Arabic Sentence        | Meaning                             |
|------------------------|-------------------------------------|
| ذهب الطالب إلى المدرسة | The student went to the school      |
| كتبت الطالبة الدرس     | The student (f) wrote the lesson    |
| فتح الله عليك          | May Allah open for you (common dua) |

★ Root system: ■-■-■ gives: ■■■■■■ (wrote), ■■■■■■ (book), ■■■■■■ (writer), ■■■■■■■■ (written)

★ Same 3 letters → many related words. This is the key to Arabic vocabulary.
