

RULE: Sifaat distinguish letters sharing the same makhraj. Heavy vs light is most important for Quran.

Sifa	Letters	Description
Always Heavy (مفخم)	ص ض ط ظ ق غ خ	7 letters — always deep/dark sound
Sometimes Heavy	ر (and) ل (Laam)	Depends on surrounding vowels
Always Light (مرقق)	All other letters	Tongue relaxed, thin sound
Whispered (همس)	ح ث ه ش خ ص س ك ت ف	Air escapes — 10 letters
Voiced (جهر)	All remaining letters	Vocal cords vibrate
Qalqalah (قلقلة)	ق ط ب ج د	Bounce/echo with sukoon

□ Laam in Allah: LIGHT after kasra (بسم الله) | HEAVY after fatha/damma (قال الله al-LAAH)

□ 7 heavy letters mnemonic: خص ضغط قظ — each letter is one of the 7 always-heavy letters

□ Listen to Al-Fatiha: hear the heavy Saad in الصراط vs light letters around it
